Vancouver, B. C., Jan. 23.—A year and a half ago one Brith—bark Manchester sailed from New York for Manila. The first authentic news of the disaster which befell her was received here today by the Capadian-Australian liner Moana.

The ship carried a cargo of petroleum from New York and several hundred cans of oil are lying along the beach in a small cove. The tins are marked "Chester Tide Water Oil Company, New York, which are stated to be descriptive marks of the oil cans sent from New York by the Manchester.

I am of opinion that a distinction should be made between the two class es of bean stick as above indicated, and that Treasury decision 14618 should. therefore not be construed as revoking Treasury decisions 8819 and 10243. am further of opinion that bean cake should be classified as vegetables prepared, under paragraph 241 of the present tariff, in accordance with drew Killmar, of Evergreen.
